Dear Mr. Lowell:

As Mayor and on behalf of the City of Chicago, I congratulate you and the members of the International Humanitarian Landmine Removal Project (IHLRP) on your efforts to remove landmines around the world.

Thousands of people in dozens of countries have been severely maimed, killed or left hungry and homeless as a result of landmine accidents. I support the IHLRP's continuing efforts toward landmine remediation, as well as your work to provide food, water, medical supplies and other needed help to those in need. Your humanitarian efforts have helped ensure better lives for many.

You have my best wishes for a safe and successful campaign.

Sincerely,
