

# Come Meet and Greet Mr. Timothy Tutlam

**Timothy Tutlam**  
**Director of Alternative Energy and Renewable Resources**  
**Ministry of Lands, Housing, and Public Utilities**  
**South Sudan, Africa**

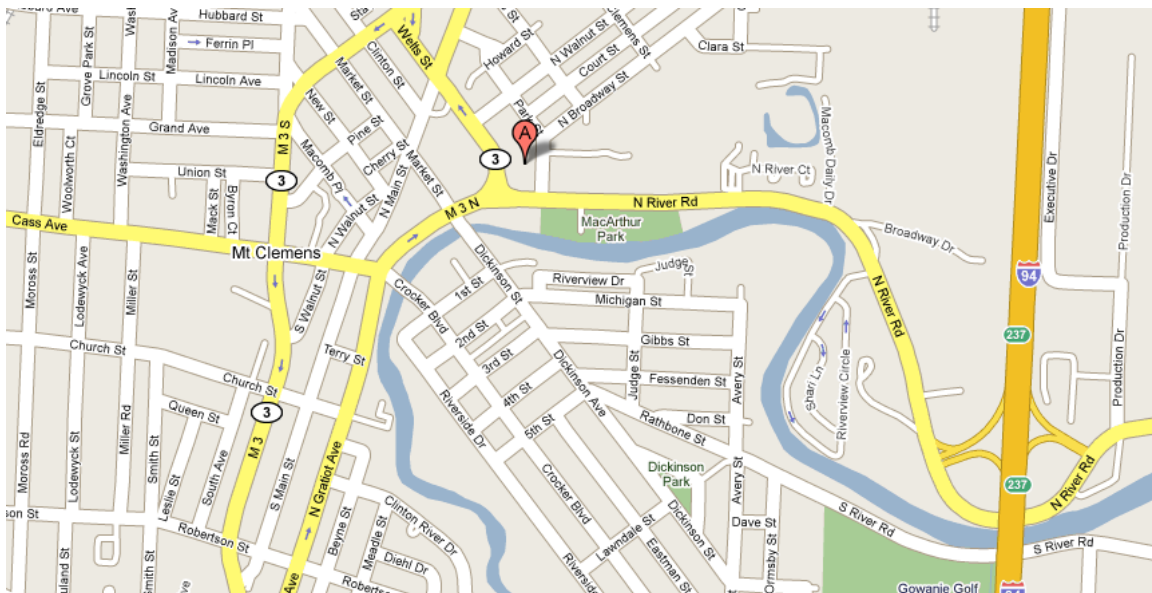

*Come meet and discuss potential business opportunities with the government of South Sudan in their endeavor to electrify this developing country. The opportunity exists to look at solar, wind, and biomass energy systems. There will be a need for products, engineering, contracting, and other business relations.*
